**broughtonHOTELS Portfolio Donates to Local Charities for Giving Tuesday**  
*\$5 per reservation from December 3rd to January 31st will be Donated*

Anaheim, CA (November 26, 2019) - broughtonHOTELS, award winning hotel management company, announces their Giving Tuesday campaign in which each hotel in the portfolio will donate \$5 per reservation booked to local charities. The effort kicks off on Giving Tuesday, December 3rd, 2019 and ends January 31st, 2020.

Guests are also encouraged to donate directly to the hotel's charity of choice when booking their reservation. Through the booking process, guests are able to select in \$5 increments which charity they would like to donate to in addition to their reservation total cost.

"This initiative is close to home for many of our team members," said broughtonHOTELS CEO Larry Broughton. "The fact that we are able to encourage our guests to donate to organizations that are close to our hearts and serve our local communities reaffirms our commitment to giving back as a company."

Each hotel team was encouraged to select a charity that spoke to them and their community. The following is a list of hotels and their selected charities.
